AIR QUALITY ACTION DAY

Michigan City, IN -- Mayor Oberlie has issued the following statement:

An Air Quality Action Day has been forecast for northwest Indiana for Friday, August 13, 2010 for ozone. This includes the counties of Lake, Porter, and LaPorte and the cities of Gary Hammond, and Michigan City. Ozone levels are expected to be in the orange or Unhealthy for Sensitive Groups range. Active children and adults, and people with respiratory disease, such as asthma should limit prolonged outdoor exertion.
