“2018” LEAF PICK UP SCHEDULE

The Michigan City Street Department and Sanitary District will begin Fall Leaf Pickup on Monday, October 22, 2018

Beginning on Monday October 22, 2018, City of Michigan City Departments will be picking up leaves in all areas of the city. Leaf pick-up will occur daily, Monday through Saturday, until all leaves are picked up. All residents are encouraged to rake, blow, and/or place their leaves near the street curb along the front of their property. Compost will also be picked up along with the leaves starting on October 22, 2018.

If citizens have branches that need to be picked up, you are asked to please call in your requests to the Central Service Department at 873-1500.

The Street Department and Sanitary District request that residents cooperate by following these rules:

❖ No plastic bags are to be used
❖ Branches, rocks and other debris must be kept out of the leaf piles
❖ Leaf piles should be loose in large piles in front of the property as close to the curb as possible, but away from the sewer drains and Fire hydrants.
❖ (NO TOTERS PLEASE)

NOTE* Leaves will not be picked up in the alleys.
