MAYOR URGES MOTORISTS TO USE CAUTION

“With thawing taking place, many potholes will appear **overnight**” stated Mayor Oberlie. Motorists are advised to be cautious this time of year and to report any potholes to Municipal Services at (219) 873-1500.

Mayor Oberlie added, “in addition, motorists are urged to use caution on East 11th Street as frost conditions have caused major deterioration of pavement conditions. While the Street Department will continue to make temporary repairs, a complete restoration will not take place until paving season opens.”
