## **PHASE I SNOW REMOVAL UPDATE**

**Michigan City, IN ---** Mayor Chuck Oberlie and James T. Elwell, Superintendent of Central Services, issued the following statement today:

The Phase I Snow Removal Condition issued Friday morning remains in effect and will continue to be effective until further notice. The Phase I Snow Removal Condition places a parking ban on both sides of all identified Snow Routes and on the north and west side of all other remaining city streets.

Mayor Oberlie said, "Our snow removal crews were called out again at 3:00 a.m. Saturday morning, and drivers have been placed on 12-hour shift rotations to be able to maintain snow removal operations around the clock. Crews have also been assigned to clear snow from dead end streets. With the cooperation of all citizens, roadways can be kept open for everyone's convenience and safety."

Residents are encouraged to follow the weather conditions through the local media.
