Mayor Chuck Oberlie is pleased to announce the City of Michigan City was awarded a grant in the amount of \$866,000 from The Community Development Block Grant Program. This program, administered by the Department of Housing and Urban Development, provides annual grants to entitlement cities to carry out certain activities that benefit the low and moderate income population. Michigan City became eligible to receive this money in 2003 when the Federal Government listed the Michigan City and LaPorte area as a Metropolitan Statistical Area .

These funds have been obligated to Social Service Agencies and community development.

Proposals from Social Service Agencies for the social service portion of funds are being accepted through November 15, 2004.
