COMMUNITY MEETING

Mayor Chuck Oberlie has scheduled a community meeting inviting residents to discuss neighborhood issues, in particular, Michigan Boulevard Parking Restrictions and Washington Park Parking Restrictions.

The meeting will be held on Monday, June 7th at 7:00 p.m. at Mt. Zion Baptist Church, 123 Helen Street, Michigan City, IN.

"We are seeking input from neighborhood residents directly impacted by the parking restrictions, in addition to ideas and concerns regarding any neighborhood issues along Michigan Boulevard," Mayor Oberlie said. "We have scheduled this meeting at Mt. Zion Baptist Church in order to conduct the meeting in the neighborhood. Michigan City Police Officers have been asked to go door-to-door to distribute flyers inviting residents to Monday evening's meeting. We look forward to a good turnout Monday night and appreciate Rev. Mason and the Church Representatives for opening up their church."
