## **COOLING CENTER**

**Mayor Oberlie announced, “With extreme hot weather conditions in our area predicted for this weekend, a City Cooling Center will be held at the Michigan City Police Dept.” Any citizen needing transportation may call the M.C. Police Dept. non-emergency number at 874-3221.**

**Mayor Oberlie continued, “We remain concerned for the safety of all of our citizens during extremely hot weather conditions. We must also continue to check on the elderly in our neighborhoods to make sure they are healthy, hydrated and cooled. I urge citizens to call or visit your elderly family and neighbors to make sure they are able to get cool.”**

**Additional cooling centers will be available over the weekend if needed.**
