Mayor Oberlie Seeks Volunteers for Boards & Commissions

Michigan City, IN – Mayor Chuck Oberlie issued the following statement today regarding Board and Commission appointments:

“The efficient operation of our local government is heavily dependent upon the local volunteers who serve on the many Boards and Commissions that comprise the Executive Management of City Departments. The guidance provided by these community members is vitally important to our city’s long-term future.

As I have had the honor to serve on local Boards and Commissions in the past, I know first-hand the direct contribution that Board members can have in responding to a broad spectrum of community needs and making a positive impact on our local quality of life. Serving on a City Board or Commission is a valuable manner in which to be involved in the community and utilizing one’s skills to improve our hometown can bring one a sense of personal satisfaction as well.

I wholeheartedly encourage citizens to volunteer for Board service. To facilitate this process, a ‘Board and Commission Form’ has been created with a listing of local Boards and Commissions and a space for volunteers to summarize their interests. This form is available in City Hall at the Mayor’s Office. The form is also available on-line at www.emichigancity.com.”
