Refuse and Recycling Pick-Up Schedules

Mayor Oberlie wishes to remind the public that your scheduled garbage pick-up days have not changed. Your recycling day, managed by the La Porte County Solid Waste District, has changed.

Beginning Monday, January 12th, recycling for Michigan City has been divided into two areas; if you live west of Karwick Rd. your recycling will be picked up on Monday, January 12th and every other Monday thereafter; if you live east of Karwick Rd, your recycling will be picked up on Tuesday, January 13th, and every other Tuesday thereafter.

The Solid Waste District is still in the process of delivering the new recycling containers and anticipates completion by the end of January. If you did not receive a container by February 1st or have any other questions concerning recycling, including your pick-up day, please visit their website at www.solidwastedistrict.com or call at 1-800-483-7700.
