PHASE I SNOW CONDITION

Michigan City, IN - Mayor Chuck Oberlie issued the following statement today:

“Due to the existing snowfall and the anticipation of continuing snow, Phase I Snow Removal is in effect and will remain in effect throughout Christmas Eve, December 24, 2008.”

The Phase I Snow Removal Condition places a parking ban on both sides of all identified Snow Routes and on the north and west side of all other remaining city streets.

Mayor Oberlie stated, “Our street crews have been battling the elements and will continue their plowing activities through Christmas Eve.”

Mayor Oberlie asks for the cooperation of all citizens so that roadways can be kept open for everyone’s convenience and safety.
