PHASE I SNOW REMOVAL

Michigan City, IN -- Mayor Chuck Oberlie and James T. Elwell, Superintendent of Central Services, issued the following statement today:

“Due to current weather conditions, a Phase I Snow Removal Condition will remain in effect until 12:00 p.m., Friday, January 16, 2009. At that time a Phase II Snow Condition will take effect.”

The Phase I Snow Removal Condition places a parking ban on both sides of all identified Snow Routes and on the north and west side of all other remaining city streets.

A Phase II Snow Removal Condition places a parking ban on both sides of all identified Snow Routes and on the south and east side of all other remaining city streets.

Mayor Oberlie stated, “The Street Department crews continue to work around the clock. We are achieving curb to curb snow plowing where cars have been removed. The Police Department is enforcing the city ordinance which includes ticketing and towing.”

Mayor Oberlie asks for the cooperation of all citizens so that roadways can be kept open for everyone's convenience and safety.
