OUTSTANDING UNSUNG HERO AWARD 2012

Dear Friend:

There are many individuals in our great city who take care of and assist individuals with disabilities. Do you know of someone who has a disability? What about someone caring for a person with a disability? We want to hear from you! The Michigan City Human Rights Commission & the Disabilities Awareness Committee announces its' *2nd Annual Disability Awareness Brunch* where we recognize a dedicated person to honor as our community's "*Unsung Hero.*"

The event will be at the Michigan City Senior Center on *Monday, March 12, 2012* from **11:00 a.m. to 1:00 p.m.** We are expecting our new Mayor, Ron Meer to be present.

The brunch will honor individuals with disabilities and those who work with the disabled community. The event also aims to bring together various service agencies throughout the area so that each organization can educate the community about their programs and services.

"*Celebrating Community*" is the theme for this year's campaign. To help support our community, we must start by planting the seeds of *understanding*. When we learn to appreciate the unique gifts inside people of all abilities, everyone grows.
