Our Purpose

"Access to Education, Care, and Support for Sisters" (ac.cess) sponsored by the **Minority Health Coalition of LaPorte County** (MHCLC), a 501(c)(3) organization, was spawned from an idea to raise awareness about the devastating impact female cancers have had on our community; to provide education, support and free screenings to women who have no access to these services; and to recognize and pay tribute to our loved ones who are courageously confronting their cancers, survivors, and those who have lost their battles. We believe all women are sisters in the fight against female cancers. Our logo displays 2 colors: pink for breast cancer and teal representing ovarian, and other gynecological cancers.

A portion of proceeds collected will also be donated to research to find a cure for breast, ovarian, uterine and cervical cancers.

This year we're proud to hold the 2nd. 5k charity walk **September 27, 2008** in observation of Breast Cancer Awareness. The walk will begin at 8:30am with check-n at 7:45am on **September 27th** in front of the Parks & Recreation Building in Washington Park. Lunch will be served and a short tribute program will be held at the conclusion of the walk. Look for more activities to support other female cancers in the near future. Your contribution to the charity walk is tax deductible.

If you're interested in being a volunteer, please call Albertine Allen at the **Minority Health Coalition** (MHCLC) at 219-879-1712 or Donna Cawley at 219-872-2370. The MHCLC office is located in the Marquette Mall Office Building 450 St. John Road, Suite 452 Michigan City, IN 46360.
