McCormmick addressed violence in our community. Not for any nonsense. All for bringing an end to violence. With regard to racial profiling or driving while black should not be tolerated as seen on Facebook recently. The things done during the last administration cannot happen, it's time for a change. Thank Stacy Benning, Brett kelley. Remember these things come election

When it comes to the violence we exclude those that have been part of the violence or former felons it wont work.  
Hope everybody can come out on Thursday.

Motioned to adjourn made by cox seconded by mccormick. All in favor.
