

July 28, 2020

Due to the COVID – 19 PANDEMIC, the regular meeting of the Board of Directors of the Department of Water Works was CANCELLED for Tuesday, July 28, 2020.

Further, due to this current Pandemic situation, the Governor of Indiana made an Executive proclamation that Governing Board Presidents of Political Subdivisions could approve claims and payments, without out the full Boards input and without holding a public meeting. However, Messrs. Behrendt, Bush, Gring, Tsaparikos and Mrs. Pishkur, along with Superintendent Russell were all sent an agenda in order for all to comment before President Behrendt's approval.

Minutes of the July 14, 2020, regular meeting will be held over until the Pandemic is over.

The Board President, Mr. Behrendt approved Register of Claims Report 20-14, which is to be signed by the check signer.

The list of 2 purchase orders was presented with no comment.

A memo regarding and emergency replacement of approximately 700 LF of 12" water main along the east side of US 421 was submitted and approved by Mr. Behrendt.

The June 2020 Financial Statements will be held until regular meetings can take place once again.

There was no further business to be discussed.

Due to the uncertainty as to when this Pandemic crisis will be over, the Board President will determine when we will resume normal meetings.
