Garage Sale Ordinance

Michigan City, IN --- The Michigan City Common Council has recently enacted an ordinance governing garage sales. All persons desiring to conduct garage sales within City limits must first obtain a permit from the Controller's Office for each garage sale they host. The Controller Office is located within City Hall at 100 E. Michigan Boulevard, Michigan City, Indiana, and their office hours are Monday through Friday from 8:00 a.m. to 4:30 p.m. The cost of a permit for each garage sale is \$5.00. Once a permit is obtained, the permit must be displayed in a conspicuous area on the date of the garage sale.

Garage sales are limited in duration and frequency. Garage sales may not exceed three (3) consecutive days at the same location, and only four (4) garage sales are allowed at any one (1) location each year. Garage sales shall be conducted only between sunrise and sunset. At the conclusion of a garage sale, all signs erected for the sale and all property exhibited for the sale shall immediately be removed from public view. Failure to comply with this Ordinance, could subject the violator to a fine of \$100.00 for each violation.
