Opening of Patriot Park

Michigan City, Indiana – The Michigan City Park Department would like to announce the opening of Patriot Park for play beginning June 14, 2020. While the facility will open, we still encourage social distancing for those in attendance. We would also like to remind those who are ill to remain home.

The Adult Men's and Coed Softball Leagues will be pushed back and will not begin until August with play running through the fall. This year it will be a combined summer/fall season. We are looking forward to opening for play this season and hope to see you at the park!
