

PRESS RELEASE

OFFICE OF MAYOR DUANE PARRY
City of Michigan City

The Michigan City Sustainability Commission and Michigan City Park Department have partnered to roll out a neighborhood park recycling program.

WE'RE ON A ROLL

The pilot program began on January 12, 2021. Recycling totes are now located at Charles R. Westcott, Gardena, Hansen, Pullman, Winding Creek Cove, Water Tower, Canada, and Tall Timbers Parks.

To reduce landfill waste, we encourage the public to use these recycling containers when using our neighborhood parks as well as recycling at home and at work.
